

SPRINGFIELDS EVENTS & CONFERENCE CENTRE

ALCOHOL POLICY AND LICENCE CONDITIONS

FOR THE ATTENTION OF ALL GUESTS

Guests are respectfully reminded that **ONLY** alcohol and other drinks purchased from our bars can be consumed on Springfields Events Centre premises.

If you have brought bottles as gifts please either keep them in your car until the end of the evening or pass them to our stewarding staff for safe keeping until you leave. You should not take them to your table.

As well as conforming to our sale of alcohol licence conditions we also have a “duty of care” to ensure that alcohol is consumed responsibly and is also not given to anyone under the age of 18.

Any guests who are found to be consuming alcohol not purchased from our bar can expect to have these drinks taken away until the end of the evening. They may also be asked to leave immediately.

Springfields management and staff very much appreciate your co-operation and assistance in this matter and hope you have an enjoyable evening.
